

# EXPLORER JOURNEY

## 2021

### Data analytics Basics CERTIFICATE

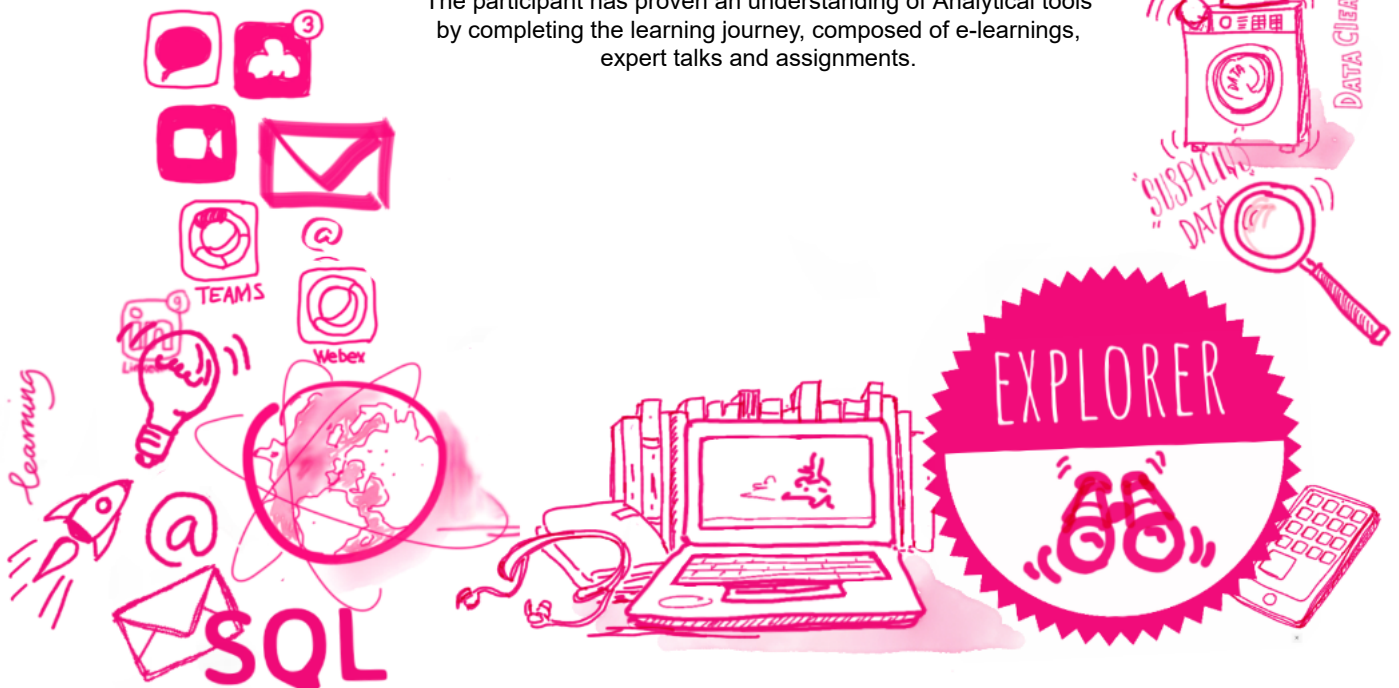

This is to certify that

**Stojan Gocevski**

acquired fundamental knowledge in Data Literacy and Data Analytics (SQL, Pivot Tables and Power BI) in an 10 weeks learning journey.

The participant has proven an understanding of Analytical tools by completing the learning journey, composed of e-learnings, expert talks and assignments.

In recognition of this achievement and the commitment shown, New Skilling is pleased to award this certification.

Deutsche Telekom AG, Bonn 11-7-2021
